Objectives

This annual program targets the learning needs of local Advanced Practice Nurses and is intended to provide information that will be useful in their daily practice.

This program is approved for 8.0 contact hours of continuing education (which includes 2.75 hours of pharmacology), by the American Association of Nurse Practitioners, for those who successfully complete this program.

Instructional Format: This is a 1-day seminar with live presentations accompanied by audiovisual material.

Cancellation Policy: Cancellation must be 14 days or more before the event. A cancellation fee of \$30 will be deducted. No refunds given if cancelled late. In an emergency, registration may be transferred to another attendee.

Conference Planning Committee:

Hugo Meza, MSN, NP; Arlette Camacho, MSN, NP; Julie Zuniga, MSN, NP; and Malu Faner, DNP, NP
